

Earbud

"Yeah, you can chat to me ... I have my Earbud"

Anytime, anywhere, that is the beauty of the earbud. Small enough for your pocket or bag, you can take it everywhere you go. Which means you can chat whenever you fancy, using your favourite service.

Metallic Design - a fashionable accessory
Firm-wearing clip - all day flexibility
Small and slim - the perfect travelling companion
PC plugs for complete compatibility

How does it work:

Simply plug the earbud into the earphone and microphone sockets of your PC sound card.
